Voluntary Ethos & Club Commitment

Galway Flying Club is a non-profit Club that is owned & managed entirely through the voluntary efforts of its Members. All Members are required to actively embrace this voluntary ethos & give their time & skills to the Club.

The main aim of the Club is to facilitate leisure & pleasure aviation activities for Members at the lowest possible cost. This can only be achieved if Members continue to provide enthusiastic & voluntary assistance with the running of the Club. The Club exists to support enthusiastic & aspiring pilots who want to fly for leisure & not for the purposes of 'building hours' or commercial qualifications. Social integration, camaraderie & fun are key elements in creating a Club atmosphere & these underpin the voluntary commitment by Members towards helping out around the Club.

It is a condition of membership under rule: Subscriptions: (h) '**that flying members become involved in the running of the Club as required by the Committee**'. There are numerous areas where members can become involved e.g. IT, website/social media, administration, maintenance, community/charitable activities, aircraft & club house cleaning/upkeeping, painting, documentation & record-keeping, social events & duty pilot safety roster.

PLEASE NOTE: The attendance for Duty Pilot when rostered is a mandatory safety requirement of all Members as is your attendance at training & seminars relating to Fire & Safety in the Club – failure to attend, &/or no shows will result in continuation of membership being reviewed by the Committee.

The Committee's acceptance of new members into the Club is, to a large degree, influenced by:

- (a) The reason for the application; and
- (b) The extent of voluntary input & assistance offered by the applicant towards the running of the Club & enhancing the Club ethos; and
- (c) The Club's capacity to facilitate appropriate flight instruction requirements at the time of the application.

Please complete questions 1 & 2 below as comprehensively as you can:

1. Reason for your application to join Galway Flying Club?

2. What other skills/talents will you voluntarily contribute to assist in the running of the Club?
